## Register for our webinar: Pharmaceutical packaging designed for patient safety

Date: May 19, 2021

Time 1:00 PM CST

Amcor and EKG Labs are partnering to provide you expertise insights to USP 661, 661.1, and 661.2.

Why attend?

- A breakdown of USP 661, 661.1 and 661.2
- Learn the differences between each chapter
- Hear how the testing is performed first hand
- Get your questions answered

This webinar is an opportunity for you to have further understanding and knowledge of these USP chapters.
